Technical University of Zvolen Student Housing: 200+ Rooms

Cost: They have 2-room units, capable of 1-2 single beds in each room, which share a toilet and shower/bathtub/sink. The units rent for 15E per bed. It is possible for 1 person to have 1 room alone (still pay single price), and maybe even 1 unit alone. It just depends on availability. There are 2 separate kitchens on each floor, 78 beds capacity on each floor, and 8 floors.

These rooms are located on the university campus in the building next to the dining hall.
